# **PACKING HOUSE** STRIKE CALLED OFF BY UNIONS

Action Taken by Leaders in Spite of Strike Vote Wednesday

## NO REASON ADVANCED

But Strikers Advised Move Is for Best Interest of All Parties Concerned

LITTLE OPPOSITION SEEN

Labor Heads Believe Men Will Return to Former Work After Five-Week Rest

EAST ST. LOUIS, Feb. 1,-The strike of packing house workers here was called off late today following their interests with the United Mine Workers of America for united resistance of proposed attacks on their wage schedules, was sent out from Republican Urges Sales

Be Permitted, Change in Volstead Law advising the abandonment of the strike." No motion, was made in the

FORT WORTH, Texas, Feb. At noon today District President John Malone called the packing-house strike off in Fort Worth. He issued this despite the fact that the strikers at a mass meeting earlier in the day voted almost solidly in favor of continuing the strike. Malone and other union officials, however, said they were confident their order would be obeyed. At the packing plants, it was stated that no disder would be obeyed. At the pack-ing plants, it was stated that no dis-

crimination would be shown against the strikers in employing men.

Maione also said no strike pickets would be on duty this afternoon for the first time since December 5.

OKLAHOMA CITY, Feb. 1.-Formal notice that the strike opacking plant workers, in effe-5, has been called cember off, was received here today by Fred Kemp, secretary of the local butcher workmen's union, from Chioff, was received

### READY FOR CONCLAVE

Final Preparations Made For Meeting at Which New Pope Is to Be
Named by Sacred Cardinals.
ROME, Feb. 1.—Final preparaitions were made today for the conclave of Cardinals which will open
in the vatican tomorrow to elect a
successor to the late Pope Benedict
XV.

The Italian parliament will convene omorrow also and it is expected Pre-nier Ronomi will interpellate it be-ore the day is over on the attitude of the Italian government toward reconciliation with the vatican. A solemn requiers high mass was celebrated this morning with the cardinals participating. This was the final of three such masses ordered celebrated prior to the convening of the conclave.

## Text of the Naval Treaty

5-POWER NAVY TREATY SIGNED;

Document to Be in Force for 15 Years and Uncle Sam Has Prerogative of Calling New Conference at End of That Period for Purpose of Considering Changes—Any Other Signatory Can Also Call New Conference if It Considers Its National Security

WASHINGTON, Feb. 1.—After almost three months of continuous negotiating, the five great naval powers of the world met in open conference here today and formally presented to the world the terms of a treaty which definitely prescribed the limits and charts and the courses of their navies for the next 15 years.

The final text of the document held few surprises—it lasts for 15 years, it provides for the United States calling another session at the end of eight years to consider possible charges because of scientific or technical developments in that time; it follows the 5-5-2-1.75-1.75 ratio for the five powers; it names the capital ships each power may retain, it provides methods and times of replacements, it writes the first accounted and the capital ships each power may retain, it provides methods and times of replacements, it writes the first accounted and the capital ships each power may retain, it provides methods and times of replacements, it writes the first accounted and the capital ships each power may retain, it provides methods and times of replacements, for the United States, 135,000 tons, for france 60,000 tons, for fixed Biates, 135,000 tons, for France 60,000 tons, for Japan \$1,000 tons.

ARTICLE IX.

This article provides that all alreat carriers may be new.

ARTICLE IX.

This article provides that no aircraft shall be built in excess of 27,000 tons cavept that the powers are free to convert partially completed ships for aircraft carriers up to 35,000 tons except that Carriers may be new.

ARTICLE IX.

ARTICLE XI.
This article limits the size of auxiliary ships to 10,000 tons.
ARTICLE XII.
This article provides no auxiliary ship shall carry guns greater than sight lockes.

to increase the existing naval facili-ties for the repair and maintenance of naval forces, and that no increase shall be made in the coast defenses of the territories and possessions above specified. This restriction, however, does not preclude such reof pair and replacement of worn out

CHAPTER II. ARTICLE XX.
Rules relating to the execution of treaty-definition of terms:

named further on and that in addi-tion the United States may com-plete and retain two ships of the West Virginia class, disposong of the North Dakota and the Delaware; and that Great Britain may com-plete two new capital ships of 35, 900 tons, upon the completion of which she will scrap the Thun-derer. King George V. Ajax and Centurion.

Subject to the provisions of Article 11, the contracting powers shall abundon their respective cap-ital ship building program and no
